## Very Special Gift Ideas

**BRENTANO FRAMES.** Now you can afford to hang prints, maps, charts, with these revolutionary frames originally designed for leading museums. Using a metal section frame developed by a leading designer, the Brentano Frame has been adapted for the use of all art lovers for easy and inexpensive framing of graphics of almost any size and shape. Made of extruded aluminum, it comes in both a chrome-like and gold finish and has the style, adaptability and beauty of the original "classic" frame at  $\frac{1}{3}$  the price. Packaged in pairs, with any two packages completing a frame, the Brentano metal section frame comes in lengths of 8" to 20" and in two inch variations from 22" to 40". You'll want many of them.

Each set contains two lengths.

Two sets are needed to make one frame.

Include 75¢ postage for each two sets of frames.

“The Dictionary that caught up with the English Language”

## The College Edition

Completely new. Contains more than 155,000 entries—more than have ever before been published in a comparable dictionary. Among the outstanding features, in one alphabetical listing:

- more than 13,000 new words and expressions, a majority of which can be found in no comparable dictionary.
- more than 1,500 illustrations
- thorough usage tables and notes
- more than 30,000 sample phrases and sentences.
- thousands of biographical and geographical entries
- more than 40,000 authoritative etymologies

The most complete, most authoritative storehouse of information on the English language ever published as a one-volume desk dictionary.

40 K. Regular edition: \$6.95

40 L. Thumb indexed: \$7.95

## The Unabridged Edition

The first completely new major dictionary in a generation. 260,000 entries, including thousands of new words and new meanings of old words as well as the latest technical and scientific terms; World Atlas and Gazetteer in full color; French, Spanish, German and Italian dictionaries; signs and symbols; a manual of style; many important features usually found only in encyclopedias. 2091 pages, thumb-indexed, illustrated. “It is unthinkable that a library should be without it”—*Library Journal*. Random House. 40 M. \$25
